Policy

Youth Budget Commission

HB5202 establishes the Youth Budget Coalition with the purpose of creating a yearly analysis of the State budget across the six developmental goals that all youth need to build exceptional lives. This Commission will use the scan to advise the administration on youth program policies and spending. It passed out of the House and is now in the Senate. The HB5202 fact sheet can be accessed here. To contact Senate State Government Committee members to ask them to support this bill, click here. Also, please consider filing a witness slip in support of HB5202. You can indicate your support for this bill without providing testimony by selecting, “Proponent” and “Record of Appearance Only.” The hearing is scheduled for 2:30 p.m. on Wednesday, May 9th. You can submit witness slips here up until that time.

CCDF Public Hearing

The Illinois Department of Human Services (IDHS) will hold a public hearing for comment on the federal Child Care Development Fund (CCDF) State Plan for FY 2019–2021 on Tuesday, May 22, 2018 at INCCRRA in Bloomington, IL. IDHS is seeking input on how to finalize sections 3.1.7 Graduated Phase Out and 3.3.1 12-Month Eligibility. The public is invited to attend the hearing in person or participate by webinar. For more information, click here.

Progressive Income Tax

On May 2, 2018, HR1025, the resolution that calls for an amendment to the Illinois Constitution to allow for a fair and progressive income tax, passed out of the House Revenue and Finance Committee with a vote of seven to three. It is now headed to the full House for consideration.

ACT Now policy updates affecting the afterschool/youth development field, including information about Teen REACH and 21st Century, can be found here.

Upcoming Events

**Resources**
Making the Most of Your Full Day Program

Developing a comprehensive plan for full-day out-of-school time (OST) programming provides OST leaders an opportunity to create innovative learning experiences. For tips and resources on how to keep youth engaged throughout the day, click here.

Investing in Afterschool and Summer Learning

The National League of Cities recently released briefs outline how city leaders can leverage afterschool and summer learning programs as strategies to improve public safety, workforce development, and college and career readiness in their communities. Data from Chicago’s Project Exploration and After School Matters programs helped to inform the two latter pieces. The briefs can be accessed here.

Summer Reading and Math

MetaMetrics is offering free summer reading and math resources.

- Find a Book: Matches reader’s interest and reading level to generate a customized book list.
- Summer Math Challenge: Six-week program that offers daily emails with fun activities and resources at the student’s ability level.

Engaging Families in STEM

The STEM Next Opportunity Fund’s latest initiative explores the importance of family engagement in STEM learning and provides resources for increasing involvement. To access the toolkit, click here.

How Young People Learn

In a recent Forum for Thought, the American Youth Policy Forum’s Executive Director Betsy Brand shares how out-of-school time programs are the ideal setting for youth to develop skills to be successful in college, a career, and life, regardless of income or background. Highlighted as an exemplar is Chicago’s After School Matters. To access the post, click here.
