Governor Pritzker's Office: Child Care Restoration Grant Program

On **June 10, 2020**, Governor Pritzker announced a \$270 million grant program has been established for Illinois child care providers. The Child Care Restoration grant program will allocate at least \$270 million of the state's Coronavirus Urgent Remediation Emergency (CURE) Fund to support the economic health of childcare providers. As part of CURE, the Business Interruption Grants (BIG) Program is designated to support businesses, including child care providers, that lost revenue as a result from the public health emergency. ***Child care providers that are license exempt are not eligible to receive assistance from the Child Care Restoration Grant program.*** More information regarding the grant is to be released in July 2020 and providers will receive their first installments later this summer. Click [here](#) to read the full press release.

The administering agencies of the grant program are asking child care providers to complete a survey to gather information on the diverse needs. Click [here](#) to take the "Intent to Apply" survey. The survey closes on **June 19, 2020 at 5:00 p.m.**
