President Joseph Biden: American Rescue Plan Signed into Law - Historic Funding for Afterschool and Summer Learning Programs

On **March 11, 2021**, President Joseph Biden signed the [American Rescue Plan](#) into law. This piece of legislation will send a historic-level of funding to afterschool and summer learning programs in order to help and support our young people and families as we begin to recover from the pandemic. Funding for afterschool and summer learning providers is as follows:

- **\$8.45 billion will be made available to State Education Agencies (SEAs), like the Illinois State Board of Education (ISBE).** In total, SEAs will allocate \$1.22 billion for summer enrichment, \$1.22 billion for afterschool programs, and approximately \$6 billion for learning recovery - with afterschool and summer learning programs as allowable uses.
- **\$22 billion will be made available to Local Education Agencies (LEAs), or school districts.** School districts must utilize this funding for learning recovery strategies, including afterschool and summer enrichment programs.

- **\$39 billion for child care providers, which also includes school-age child care providers.** These dollars will flow to states' child care agencies, such as the Illinois Department of Human Services (IDHS).
- **\$1 billion for Corporation for National and Community Service through AmeriCorps** for AmeriCorps positions to help address learning recovery and other purposes
- **\$350 billion for state and local governments that can be used in part for child care and other purposes**

Funding from the bill can be spent until September 2023. To read more about this historic bill, click [here](#).

U.S. Department of Justice and U.S. Supreme Court: Public Charge Rule Permanently Blocked Nationwide

On **March 9, 2021**, the U.S. Department of Justice (DOJ) stopped defending the Trump Administration's Public Charge regulations. **The Trump Administration's 2019 Public Charge rule is permanently blocked, nationwide.** Under this policy, it is safe for immigrants and their families to access health, nutrition, and housing programs for which they are eligible. To read more about this policy update, click [here](#).

U.S. Department of Agriculture: Extension of COVID-19 Meal Waivers Announced

On **March 9, 2021**, the U.S. Department of Agriculture (USDA) announced the nationwide extension of several waivers that allow all children to continue to receive nutritious meals this summer when schools are not in session. **These flexibilities are now available through September 30, 2021.** In addition, these waivers:

- Allow meals served through the [Summer Food Service Program \(SFSP\)](#) and [Seamless Summer Option \(SSO\)](#), which are collectively known as "[summer meal programs](#)" – to be made available in all regions of the U.S. for free
- Allow meals to be served outside of the normally required group settings and meal times
- Allow parents and guardians to pick-up meals for their children, including bulk pick-up to cover multiple days of feeding children

P-20 Council: March Board Meeting Recap

On **March 12, 2021**, the P-20 Council met. The Council heard a recap of the impact of the American Rescue Plan on Illinois. The P-20 Council held breakout discussions on State-Led Initiatives in support of learning renewal. These projects cover the following topics: interim assessment, social and emotional supports and community partnerships, cross-sector transition support, and high-impact tutoring. The support of community schools, community-based organizations, and 21st CCLC came up several times in these discussions. The Council also heard a proposal to amend our state's 60 by 25 goals to 65% of Illinoisans by 2035 as well as equity-focused targets to accelerate enrollment and completion for sub-groups.
