Policy Updates

Federal Policy

U.S. Senate Agriculture Committee: Child Nutrition Reauthorization

On **March 25, 2021**, the U.S. Senate Agriculture Committee held a hearing on child nutrition programs. The importance of strengthening the summer meals program was at the center of the committee's conversations. To read the summary of the discussion, click [here](#). The U.S. Senate's version of the Summer Meals Act is expected to be introduced by Senator Gillibrand (D-NY) and Senator Murkowski (R-AK) soon.

Congress: Climate Change Education Act Introduced

On **March 25, 2021**, U.S. Congress introduced The Climate Change Education Act. This legislation would create a grant program at the National Oceanic and Atmospheric Administration (NOAA) to assist state and local education agencies improve climate literacy, as well as institutions of higher education and professional associations. The grant aims to ensure that students at all grade levels are taught about climate adaptation and mitigation, climate resilience, and the effects of climate change on the environment, energy sources, and social and economic systems, including environmental and climate justice. The proposed Act includes language around out-of-school time (OST) programming. To learn more about the legislation, click [here](#).

Illinois State Board of Education: Preliminary ESSER III Funding Allocation to School Districts Released

On **April 1, 2021**, [the Illinois State Board of Education \(ISBE\)](#) released two Excel documents with information relating to the American Rescue Plan's ESSER III funding. The first document highlights the breakdown of federal education COVID-19 relief that the state agency is receiving. The second sheet shows ISBE's preliminary funding allocation data to school districts, based upon the Title I formula. ISBE also announced that **Non-Title I providers will receive approximately \$142 per student**. Additionally, ISBE is encouraging school districts and program providers alike to combine and blend federal funding sources – from ESSER to Title grants – in order to maximize equity and plan for sustainability. To access these documents, click [here](#). **ISBE shared that the application for ESSER III funds will be released July 1, 2021.**

Illinois Department of Human Services: Teen REACH Notice of Funding Opportunity Released

Last week, [the Illinois Department of Human Services \(IDHS\)](#) has released its FY22 Notice of Funding Opportunity (NOFO) for the Teen REACH program. Teen REACH (Responsibility, Education, Achievement, Caring and Hope) is an out-of-school time program serving at-risk youth between the ages of 6 and 17. The purpose of the program is to expand the range of choices and opportunities that enable, empower and encourage youth to achieve positive growth and development, improve expectations and capabilities for future success and avoid and/or reduce risk-taking behavior. Specifically, this means providing youth with safe environments, caring adults, guiding them toward marketable skills, and opportunities to serve their communities. Teen REACH is not a drop-in program, rather it is intended to serve the same youth every day. The program is a year-round, 12-month program requiring services on average 3 hours per day, a minimum 240 days per year. Teen REACH requires programming in 7 CORE Service Areas. **IDHS will be hosting a technical assistance webinar for applicants on the NOFO on April 13, 2021, from 10:00 a.m. to 11:00 a.m.** To register, click [here](#). To read the full NOFO, click [here](#).

Illinois State Board of Education: P-20 Learning Renewal Resource Guide Published

On **March 31, 2021**, [the Illinois State Board of Education \(ISBE\)](#) shared the [P-20 Council's](#) Learning Renewal Resource Guide with the public. This 180-page guide is filled with recommendations from stakeholders from across Illinois to help school districts and their partners plan for learning renewal. There are 12 priorities, one of which includes providing afterschool, out-of-school time (OST), and summer learning programming for students. This guide is designed to help formulate initiatives that utilize federal education funding and is a working document.

In conjunction with federal COVID-19 aid and the Learning Renewal Resource Guide, ISBE is also launching four new state-led initiatives to provide guidance and support in the most critical areas:

- **High-impact tutoring**, with a focus on aligning tutoring with classroom instruction throughout the school year and during the summer.
- **Social and emotional learning community partnerships**, including with the Center for Childhood Resilience, housed at Lurie Children's Hospital.
- **Interim assessment**, intended solely for diagnostic purposes, to provide reliable measures for understanding the impact on student learning so educators can target their responses to students' needs.
- **Bridge/transition support**, to encourage enrollment in both early childhood programs and higher education.

ISBE and the P-20 Council invite program providers and community-based organizations to review the guide and share comments and additions. To read the entire guide, click [here](#).
