## Policy Updates

### State Updates

#### Illinois State Board of Education Board March Meeting Recap

On **March 16, 2022**, the [Illinois State Board of Education \(ISBE\)](#) met for its monthly meeting hosted at the Rockford School District. The Board meeting materials and future meeting dates are available, [here](#). The Board heard public comment on the Right to Read Act, principal and teacher preparation, and standardized assessments. The Board heard presentations on advancements in Rockford Public Schools, policy updates, North Chicago's progress with independent monitoring, and the assessment survey results. The Board discussed upcoming Board Actions, which included a contract with Northern Illinois University for a 21st Century Community Learning Community (21st CCLC) data management system for ISBE. **The next ISBE Board meeting will take place on April 20, 2022.**

# Resources for Providers

## Administration

### [Resources for Celebrating Afterschool Professionals Appreciation Week](#)

[The National Afterschool Association \(NAA\)](#) has developed several resources for programs, families, and youth to use to celebrate out-of-school time (OST) professionals in their lives during the **week of April 25, 2022!**

## Professional Development

### [Fiscal Management Professional Development Opportunity](#)

[You For Youth \(Y4Y\)](#) focuses on providing professional development for every staff member at every level of a 21st Century Community Learning Centers (21st CCLC) program. This specific opportunity focuses on fiscal management and participants will receive a certificate of completion.

## Youth Development

### [Grow It, Try It, Like It! Nutrition Education Kit](#)

[MyPlate's](#) garden-themed nutrition education kit can help educators teach little ones about gardening and to introduce new fruits and vegetables. This is a great way to also incorporate STEM competencies at a young age and in an engaging way!

## Safety, Health, and Nutrition

### [How to Support Students with Technology Fatigue](#)

[EducationWeek](#) has released an article sharing strategies for educators and afterschool professionals to leverage in programming to ensure that students feel supported. The article gives suggestions for relieving the burden of the constant use of technology even in hybrid activities.

*For an archive of our previously listed Trainings, Events and Webinars, click [here](#).*

# Opportunities for Providers

## Safety, Health, and Nutrition

### [New City of Chicago Initiative & Input Needed for Request for Proposals](#)

**Trigger Warning:** As part of the new efforts the City is making to address gender-based violence and human trafficking (GBV/HT), the [Department of Family and Support Services \(DFSS\)](#) is developing funding opportunities for community-based organizations to address the needs of youth who are impacted by GBV/HT. The Mayor's Office and DFSS are also looking to host a brief conversation on the topic on **March 24, 2022, from 4:00 p.m. to 5:00 p.m.**

## Youth Development

### [Big, Blue Rock: Integrating Geoscience Curriculum into STEM OST Programming](#)

By popular demand, our final STEM webinar of the fiscal year will bring together experts and curricula materials focused on geosciences. "Geosciences" is a broad term that encompasses all the topics relating to the science of our planet including climate change, geology, environmental science, and planetary science. In this 1-hour, interactive webinar, on **April 7, 2022, from 10:00 a.m. to 11:00 a.m.**, attendees will hear from Sara Kurth, Educator and Program Coordinator at the Lizzadro Museum of Lapidary Art; and Susan M. Kohler, Education Specialist with NASA who will:

- Demonstrate accessible activities and connect participants to the science
- Connect programs with STEM career professionals in the geosciences
- Provide resources for additional learning opportunities

For questions or concerns, please contact [Lesley Fisher Chapman](#) (Program Coordinator) at [ChapmanL@actnowillinois.org](mailto:ChapmanL@actnowillinois.org).

### [NASA STEM Opportunities for Providers and Youth](#)

[NASA](#) is hosting two exciting summer opportunities for elementary and middle school students to explore NASA and STEM careers:

- [TECH Day](#) is a one day event for middle school students that will be held virtually on **May 12, 2022**. TECH stands for: Tours of NASA, Engineering challenge, Career exploration, and Hands-on activity. Student will also have a chance to ask STEM/NASA professionals questions! **Registration for this event closes on April 14, 2022.**
- The [NASA STEM Kids Virtual Event](#) will be held virtually on **May 14, 2022**. This event will engage Kindergarten through fourth grade (K-4) students in the excitement of NASA's missions of exploration and discovery through virtual tours, conversations with NASA experts, and hands-on activities related to aeronautics. **Registration for this event also closes on April 14, 2022.**

*For an archive of our previously listed Opportunities for Providers, click [here](#).*

# Youth Opportunities

## Youth Development

### [ACT Now: Policy and Communications Internship for Summer 2022](#)

We are continuing to accept applications for our **Policy and Communications Internship for Summer 2022**. This is a full-time internship opportunity. We hope to offer an in-person internship this summer if it is safe to do so. However, ACT Now will consider a remote internship opportunity. We are also providing a stipend for this internship. **Applications are due Monday, April 4, 2022, at 5:00 p.m. CST.**

### [Girls Who Code Summer Program Application is Extended!](#)

[Girls Who Code](#) will continue to accept applications for its FREE Summer Immersion Program (SIP) and Self-Paced Program until **Friday, March 25, 2022**. Interested students may also apply for a need-based grant up to \$500 plus tech access to help them get wired up for SIP.

*For an archive of our previously listed Youth Opportunities, click [here](#).*

---

# Funding Opportunities

## Youth Development

### [Freedom School Request for Proposals is LIVE!](#)

The [Illinois State Board of Education \(ISBE\)](#) has released its Request for Proposals (RFP) for the [Phillip Jackson Freedom Schools Grant](#). This grant will establish a Freedom School network to supplement the learning taking place in public schools by creating out-of-school time (OST) programs using a research-based and multicultural curriculum for disenfranchised communities most affected by the opportunity gap and learning loss caused by the COVID-19 pandemic. Programming will also expand the teaching of African American history, developing leadership skills, and providing an understanding of the tenets of the civil rights movement. **Proposals are due April 29, 2022, by 4:30 p.m.**

### [Invest for Kids Grant Opportunity](#)

[Invest for Kids](#) works to support youth in underserved communities across the city of Chicago. The organization is now accepting grant applications from other Chicago-based organizations with budgets between \$1 and \$5 million

who provide education, mentoring, enrichment, and social services to youth in under-resourced communities. **Applications are due [April 30, 2022](#).**

## Professional Development

### [Professional Growth Grant!](#)

[YNPN Chicago](#) will be providing individuals with a small grant to help them enhance their professional development and to make a positive impact within the Chicago nonprofit community. Grant amounts may vary with a maximum of \$500. **Applications are due [April 1, 2022](#).**
