## Policy Updates

### Federal Updates

#### COVID-19 Boosters for Adults Recommended

Recently, the [U.S. Federal Food and Drug Administration \(FDA\)](#) authorized a second booster dose of both the Pfizer-BioNTech and the Moderna COVID-19 vaccines for adults over 50 years of age and certain immunocompromised individuals. Vaccines are still the best tool we have to prevent hospitalization and death from COVID-19 and its variants. The City of Chicago continues to update its website, [Chicago Vaccine site](#), for ongoing developments.

### State Updates

#### State Legislators Propose Funding for Afterschool in Series of Legislation

In a press conference on **Friday, April 1, 2022**, House Democrats announced several proposals that would invest in youth development opportunities, expand access to child care programs, and support community-based interventions to decrease crime across the state of Illinois. These proposed initiatives would be part of a larger crime reduction package that the State legislature is debating in its last week of Spring session. Afterschool champions and partners of ACT Now, Leader Jehan Gordon-Booth, Senator Peters, Senator Pacione-Zayas, and Senator Villanueva, shared the importance of appropriating funding for FY23 to youth development initiatives including:

- \$3 billion for the Child Care Assistance Program (CCAP). This is a proposed increase of \$41.1 million
- \$19.6 million for Teen REACH, an increase of \$5.1 million that was proposed by Governor JB Pritzker in his FY23 Budget
- \$14.3 million for the Redeploy Illinois Program focusing on incarcerated youths. This is an increase of \$8 million
- \$45 million for the Illinois State Board of Education's (ISBE) After School Program grant, an increase of \$25 million.

Finally, **Susan Stanton** (ACT Now Network Lead) spoke to the importance of afterschool programs as being critical to "improving [academic and social-emotional] performance, safety in our communities, and building the workforce of tomorrow."

## Resources for Providers

### Youth Development

#### [Million Girls Moonshot STEM Resources for April](#)

This month the Million Girls Moonshot (MGM) celebrates Earth Day and Environmental Education Week (**April 18 to April 22, 2022**)! Now is the time for all of us — education, business, and civic leaders — to take action on climate in order to preserve and protect our health, our families, and our livelihoods. To do this, we need to inspire the next generation of creative thinkers and problem solvers to design the solutions that will get us there. This **Earth Day (April 22, 2022)**, let us act boldly, innovate broadly, and implement equitably. It is going to take all of us! **Note: More resources will be archived on our MGM page.**

[Survey](#) Opportunity for MGM STEM Program Providers! **ACT Now** is part of the MGM initiative and helping to support out-of-school time programs as they increase the quality of STEM learning opportunities for all young people, especially for underserved and underrepresented youth. [This survey](#) will help us better understand how we can best support afterschool and summer programs statewide. It should take 5-10 minutes to complete. **Everyone who completes this survey will be entered in a drawing for a \$100 Visa gift card.**

## [Changing the Beat of Mental Health](#)

[Ann & Robert H. Lurie Children's Hospital of Chicago](#), [Communities United](#), and the Youth Leaders of the [Ujima Project](#) recently hosted an event to showcase a new report on mental health. In specific, panel discussion (led by young men of color) highlighted that, for their peers, the normalization of trauma and systemic inequity is leading to worsening mental health. The event also allowed these leaders to share their thoughts on intervention strategies.

## [Updated Report on Youth COVID-19 Vaccine Rates in Chicago](#)

[Ann & Robert H. Lurie Children's Hospital of Chicago](#) has released a brief report on the current levels of youth COVID-19 vaccinations within the City of Chicago.

### [2022 College Changes Everything Conference - Submission Deadline EXTENDED](#)

In an effort to be responsive to the level of interest from participants, the [Illinois Student Assistance Commission \(ISAC\)](#), the sponsor of this conference, is extending its priority consideration date to submit interest session proposals to **Friday, April 8, 2022**. Please complete the online session proposal form. **ACT Now** will be presenting at the CCE Conference and is part of the planning committee!

## [Crisis in the Field: Using Data to Support the Afterschool Workforce](#)

The afterschool workforce in Illinois is facing an unprecedented staffing crisis. The need for youth support is greater than ever, but the impact of the pandemic and historic underinvestment in these roles has made staffing programs a challenge. **ACT Now** surveyed the field to examine the state of the afterschool workforce and the issues they are facing to determine potential solutions. Join us on **April 26, 2022, from 10:00 a.m. to 11:00 a.m.**, for our April Membership Exchange where we will officially release the data and discuss how to use the results to make positive changes in the field including:

- Advocating for increased per award grant amounts
- Building into budgets increased wages and staff mental health supports
- Training on how to create a culture of support
