Connecting to Community Partners

Join **ACT Now** for our third School Partnerships webinar on **Connecting to Community Partners**. **TODAY, from 10:00 a.m. to 11:00 a.m.**, **ACT Now** and the [Partnership for Resilience](#) will provide background information regarding ESSER III funding and requirements highlight the benefits of partnering with established community-based organizations share best practices when developing community partnerships. Attendees will engage in an interactive session and leave with tools to create partnerships.

Don't forget to join us for our fourth webinar in this series! On **November 30, 2022, from 10:00 a.m. to 11:00 a.m.**, **ACT Now** will focus on helping school districts plan for the continuation of newly established programs or resources after COVID-19 relief (ESSER III) funds are no longer available. Co-facilitated by **ACT Now** and **Ramona Dixon** (Director of Grants, Accountability, and Assessments - Rock Island-Milan School District 41), this webinar will outline, from a school districts' perspective, the most important steps to plan for the sustainable use of grant funds. Additionally, attendees will have access to an established sustainability plan to take away and reference independently.

Please reach out to Nikki Gillani (Afterschool Resources and Support Specialist - School Partnerships) with questions and concerns at gillanin@actnowillinois.org.

State Updates

Illinois State Board of Education October Board Meeting Recap

On **October 19, 2022**, the [Illinois State Board of Education \(ISBE\)](#) met for its monthly Board meeting. To access the recordings and meeting materials, [click here](#). The Board visited and heard presentations from the Schaumburg school districts. The Board heard presentations on a new data dashboard for schools and state agencies and charter school renewals. ISBE approved all items on the consent agenda before sharing upcoming Board actions. Within upcoming board actions in November, the state agency will review newly established requirements for the Freedom Schools Grant program (which is written into the school code subject to appropriation). ISBE will also review the request to extend FY18 Early Childhood Block Grant grantees' funding to align with the current and new awards for FY23. Finally, next month, ISBE will also vote to release the FY24 Request for Proposals (FRP) for the Early Childhood Block Grant. **The next ISBE Board meeting will take place on November 17, 2022.**

Resources for Providers

Administration

[Impact on Pandemic on Learning](#)

[Project Tomorrow](#) conducted research on the impact the COVID-19 pandemic has had on student's' learning. Since the COVID-19 pandemic, students and teachers have felt more confident utilizing technology in the classrooms. The research also notes that principals are struggling to maintain staff morale as the nation emerges from the pandemic.

Safety, Health, Nutrition

[Keeping Kids Healthy This School Year](#)

The [Vaccine Equity Cooperative](#) hosted a webinar in partnership with the Centers for Disease Control and Prevention (CDC) that talked about ways to keep youth safe this school year. The event discussed resources to equitably increase access to vaccines and boosters, COVID- 19 data trends, and more.

Youth Development

[Supporting Students with College Decisions](#)

[Chalkbeat](#) published an article on how to help high school students select a college that is a good fit for them. The article offers tips and resources on how high school staff can make the transition for students easier.

[Helping Students Manage Emotions](#)

On **October 17, 2022**, [Edutopia](#) published a blog post that discussed how to help students manage emotions. Some of the tips included directing students to credible resources and actively listening to students as they share their experiences.

Family and Community Partnerships

[Free Internet Access for Low-Income Families](#)

[EdWeek](#) published an article that discussed how families in need can receive Internet access through the [Affordable Connectivity Program \(ACP\)](#). Leveraging ACP, qualifying households can apply for a \$30 discount on monthly Internet bills. Those enrolled in Medicaid, have a child who receives free or reduced priced lunch at school qualify. There is also income-based qualification for families!

[Election Toolkit](#)

The [Afterschool Alliance](#) developed an Afterschool Election Toolkit that helps prepare people to have meaningful conversations with elected officials. The toolkit has resources talking points, sample materials, and information on how a non-profit organization can participate in the electoral process.

[What to Expect in This Year's Election](#)

The [Illinois Collaboration on Youth \(ICOY\)](#) published an article on what to expect this election season. The resource includes resources on how to request a mail in ballot, the significance of this being a remap year, and more.
