#### State Update

##### Restore, Reinvest, and Renew (R3) Program Board Meeting Recap

The Restore, Reinvest, and Renew (R3) Program Board met last week on March 3, 2020. The R3 Board is working on the grant program to fund human services organizations in the communities hardest hit by the war on drugs using funding from cannabis legalization. The Board discussed its Notice of Upcoming Funding Opportunity (NOFO) for the R3 program. **They will release the NOFO on April 1, 2020 or shortly thereafter. Programs will have 30 days to apply, and grants will start July 1, 2020.**

Programs can apply for two types of grants:

- **Assessment and Planning Grants (\$3.15 million):** are for organizations to develop a collaborative plan to assess and address the needs in a community related to economic disinvestment, violence, and the impact of the war on drugs.
- **Service Delivery Grants (\$28.35 million):** are for organizations to provide services to their communities related to civil legal aid, economic development, reentry, violence prevention, and youth development.

The Board raised concerns about creating a truly equitable, collaborative, community-based grant program. The Board also approved the NOFO fact sheets and approved the start of writing the NOFO. **The Board will meet again March 30, 2020 to approve the NOFO for release.**

### Family and Community Partnerships

#### **STEM Next Guide: The Essential Funders' Guide to STEM-Focused Family Engagement**

**STEM Next** has created a robust guide with strategies to engage families and subsequently create support mechanisms for young people pursuing STEM experiences and careers. The guide highlights seven key tactics and aims to raise awareness and build knowledge to increase grantmaker support for practice, research, and policy solutions to better support families. Access the guide [here](#).
