### Federal Policy

#### Afterschool Alliance: Take Action to Support Youth and Contact Your Legislators

The U.S. Senate is considering a bill to expand access to afterschool through the rest of the public health crisis. *Now* is the time to tell your elected officials to support [S. 4868](#), which was introduced by Senators Murkowski (R-Alaska) and Smith (D-Minn.) in late October. S. 4868 is the bipartisan 21st Century Community Learning Centers (21st CCLC) Coronavirus Relief Act of 2020. **The legislation would provide \$1.2 billion in additional funding and greater flexibility for the 21st CCLC program. The House version of the bill passed in September.**

As Congress debates an FY21 spending bill and another COVID-19 relief bill, consider reaching out to your members of Congress in support of afterschool programs and let them know how the pandemic is affecting young people, youth-serving programs and organizations, and your community at large. **Please ACT Now and Advocate by clicking [here!](#)**

### State Policy

#### Governor's Office and the Illinois Department of Human Services: Illinois Commission on Poverty Elimination and Economic Security

**Yesterday**, Governor Pritzker and the Illinois Department of Human Services (IDHS) announced the creation of the Illinois Commission on Poverty Elimination and Economic Security. The Commission aims to develop and adopt a strategic plan that will execute anti-poverty programs that ensure long-term, multigenerational economic mobility regardless of race, ethnicity, gender, age, sexual orientation or identity, ability, or geographic location. The plan will be released in spring 2021. Goals for The Commission include reducing poverty in Illinois by 50% by 2026, eliminating child poverty by 2031, and eliminating all poverty by 2036. To read the full press release, click [here](#).

#### Illinois Department for Health: Preliminary COVID-19 Vaccination Plan Published

On **December 4, 2020**, the Illinois Department for Health (IDPH) released

its preliminary COVID-19 Vaccination Plan, which is a draft document designed to assist Local Health Departments in planning for vaccine distribution. Information is based on limited and preliminary guidance from the Center for Disease Control and Prevention (CDC) & Advisory Committee on Immunization Practices (ACIP) and will be continuously updated as that guidance evolves. To read the document, click [here](#). **Initial populations prioritized for the COVID-19 vaccination in Phase 1 are the following:**

- Health Care Personnel & Residents from Long Term Care Facilities
- Essential frontline workers including first responders
- Those with high-risk medical conditions and adults over 65 years of age

**Illinois educators, afterschool providers, and children will not be among the first wave to receive a vaccination.** When asked by [Chalkbeat](#), during the press conference, when teachers would receive vaccinations, Governor Pritzker said that essential workers, such as teachers, will be addressed in the next phase (Phase 2). To read the full article, click [here](#).

#### **Illinois State Board of Education: Assessment and Accountability Requirements Update for 2021**

**In October**, the U.S. Department of Education released its process for states to access flexibilities for accountability in 2021. **Currently, assessment and accountability requirements are not waived for 2021. States are allowed to request temporary adjustments** to calculation and scoring rules, timelines for identification, and achievement of measures of interim progress and long-term goals for 2021 **via an expedited addendum process. The addendum is due to the U.S. Department of Education by February 1, 2021.**

On **December 2, 2020**, the Illinois State Board of Education (ISBE) published a draft of the addendum for review and public comment. To review the addendum, click [here](#). Additionally, ISBE will present two live webinars reviewing the document. Sessions will be held **today and December 21, 2020, from 9:30 a.m. to 11:30 a.m.** To register for these events, click [here](#).
