Policy Updates

Federal Updates

[Updated COVID-19 Guidance for K-12 Institutions and Child Care Programs](#)

On **August 11, 2022**, the [Centers for Disease Control and Prevention \(CDC\)](#) issued [updated guidance](#) for protecting youth and children as students return to educational settings. The following changes have been shared, and adopted, by the [Illinois State Board of Education \(ISBE\)](#) and the [Illinois Department of Public Health \(IDPH\)](#):

- Keep students home if they are ill and to continue to test to confirm or rule out COVID-19 and other infections
- Provide remote learning opportunities for students that are isolating for COVID-19
- Promote being up to date with all vaccinations, including COVID-19 vaccinations
- Optimize ventilation systems
- Maintain good hygiene etiquette, and cleaning and disinfection procedures
- Encourage students and staff to wear a mask when managing cases and exposures, and responding to outbreaks

To learn more about the easing of COVID-19 quarantine and social-distancing guidelines for students, read the Chalkbeat Chicago article, [here](#).

[Funding for Sports-Based Youth Development Programming Proposed in Congress](#)

At the end of July 2022, the PLAYS for Youth Sports Act was introduced in the U.S. House of Representatives by Representative Allred and Representative Schultz. This piece of legislation would establish a \$75 million grant program and provide opportunities for nonprofits and community-based organizations (CBOs) to foster healthy lifestyles in youth and facilitate youth development programming. This proposed annual grant would be administered by the U.S. Department of Health and Human Services and the Centers for Disease Control and Prevention (CDC). [The Afterschool Alliance](#) continues to monitor this bills progress.

State Updates

[Free Shipments of Rapid COVID-19 Tests Available for Schools](#)

On **August 10, 2022**, the [Illinois Department of Public Health \(IDPH\)](#) announced that the agency will be providing a one-time shipment of 1 million COVID-19 rapid antigen tests to K-12 public school districts outside of Chicago for the upcoming school year. The tests will be provided for free and school districts much submit a request on behalf of the community. Ultimately, the goal is to keep students safe as they continue their learning.
