Policy Updates

Rebuild America's Schools Act

On January 30th, House Education and Labor Committee Chairman Bobby Scott (D-VA) introduced [H.R.865](#), the "Rebuild America's Schools Act." The bill would create a \$70 billion grant program and \$30 billion tax credit bond program to improve schools in high-poverty areas; develop a comprehensive national database on the condition of public school facilities; and expand access to high-speed broadband internet. Funding Opportunities

Scaling Education Pathways in Illinois

Scaling Education Pathways in Illinois (SEPI) is an initiative to address the teacher shortage in the state by creating community collaborations to build education career pathways in public schools, facilitating a student's progression from pupil, to teacher, to instructional leader. The SEPI Request for Proposals (RFP) provides community collaborations with the opportunity to receive up to \$14,000 to establish a continuum of supports and pathways for new teachers that addresses placement and mentorship. Proposals are due on **March 15th at 5:00 p.m.** To access the RFP, [click here](#). *For more information, join the informational webinar on February 15th at 1:00 p.m. Please [email Sandy Garza](#) to be added to the webinar calendar invite.*

National Community Transformation Block Grant

The U.S. Department of Health and Human Services seeks to enter into a cooperative agreement to identify, highlight, and support multiyear community transformation efforts that move individuals, families, and communities towards improving human capacity, reducing dependency, and sustaining self-sufficiency. Organizations are asked to develop innovative transformation plans to encourage systemic improvements by leveraging resources to improve quality of life for low-income individuals and families. The deadline to apply is **June 7th**. To learn more, [click here](#).

Earth Science Celebration Materials

If you are planning an Earth Science celebration for your program's youth this season, use [NOAA SciJinks](#) as a resource to provide stickers, bookmarks, or temporary tattoos to your attendees at no cost! To receive these free resources, fill out the request form [here](#).

Resources for Providers

Youth Development, Programming, & Activities

STEM Signing Day

Like signing days for athletes, the Chicago STEM Signing Day will celebrate high school seniors from across the Chicagoland area as they sign their STEM Letters of Intent during a ceremony attended by parents, principals, school administrators, elected officials, and business and community leaders. All currently enrolled Chicago Public School high school seniors who plan to attend a two- or four-year college/university or certificate program and pursue a STEM degree or

program are eligible to apply. The deadline to apply is **March 15th**. For more information, [click here](#). To access the application, [click here](#).

We Love Afterschool

Through February 14th, celebrate the millions of reasons to love America's afterschool programs during *We Love Afterschool!* Joining in can make for an easy and fun activity for your program in the days leading up to Valentine's Day. [Click here](#) to access a printable sheet for participants to decorate with the reasons they love afterschool, as well as some customizable social media samples to share your story.

Call for Resources

Do you have valuable resources, stories, or best practices to share with the afterschool field? Please click [here](#) to share your resources with ACT Now and we will disseminate them (via our newsletter and website) to other providers across the state! If you have any questions, please contact Faith Knocke (ACT Now - Youth Development Associate) KnockeF@metrofamily.org

NOTE: We are now sorting our trainings and resources by the Core Areas in the Illinois Statewide Afterschool Quality Standards to promote better understanding and implementation of the Standards. Dark blue headings denote a Core Area. To learn more about the Quality Standards, click [here](#).

Do you find the ACT Now newsletter to be a quality resource for your program? If so, please consider making a contribution to ACT Now so that we may continue to provide free resources to afterschool program providers, and, in turn, create a brighter future for the state of afterschool programs in Illinois!
